

5 QUICK TIPS

Personal Safety

- 1 Always be vigilant.**
If you see something suspicious, report it to local authorities.
- 2 Keep your mobile charged.**
Have an extra charger with you in case of an emergency.
- 3 Memorize emergency phone numbers.**
Know at least two in case someone does not answer.
- 4 Travel in pairs whenever possible.**
Walk confidently and in well-lit areas.
- Consider a family code word.**
- 5 Teach your kids to ask for the family code word when approached by someone they do not know. It will help them determine if the person can be trusted.**
